

COLLEGE APPLICATION FEE WAIVERS

If you qualify for free or reduced lunch we can offer you fee waivers for all of your college applications. Please read below to see how to get one for each school you are applying to.

Common Application

To get a waiver for all of your common app schools go onto your Common Application, and under the Common App heading, click profile, then scroll to the bottom of the page. It will say Common App Fee Waiver. Click yes and mark off any that apply to you. Then sign and press continue. We will then approve it on our end and you can apply to all schools without paying the fee. IMPORTANT: It may ask under individual schools if you are using a fee waiver from them, say no. This is a Common App fee waiver, not one from an individual school.

SUNY Schools

Please be aware that you can only get a waiver for 7 SUNY schools. You may get billed by SUNY if you request waivers for more than 7 SUNY schools. If you put them on the common app you will automatically get them waived with Common App waivers. If you are applying on the SUNY App you must fill out [this](#) form and send it to your college counselor to be submitted.

CUNY

You can apply to up to 6 schools on the CUNY application. We will get fee waiver numbers in late October and will email everyone when they arrive. Once we email you just email the college office for a waiver number, which you will apply at the end of the application when it asks for payment.

All Other Applications

If you are applying to any additional schools not on the applications listed above you must fill out [this](#) form for each school and email it to your college counselor to submit.
