Reminders

May 1st/15th or June 1st deposit deadlines

In a typical year, students have to decide which college they will attend by May 1st. Many colleges have extended this deadline to help students who have not received their financial aid packages because of FAFSA delays. Please check each school you are considering to see what their deadline is. You must commit and make your deposit prior to the deadline to secure your spot. Follow the school's instructions on your acceptance letter/portal. If you are still having FAFSA issues and the deadline is approaching you should contact the college to ask for an extension. As a reminder; you may only commit to ONE college and you must commit to a college to which you've been accepted even if you are remaining on one or more waitlists.

Update Your Admissions Decisions

Please make sure to update your admissions decisions in Naviance, including where you decide to attend college (the pencil icon next to each school will allow you to add/modify admissions decisions).

TAP (Tuition Assistance Program)

Once you have filled out the FAFSA with at least one college in NY, you will get a direct link to fill out your TAP scholarship application. This is a scholarship for all schools in NYS (public/private) [if you are eligible](#). If you miss this email you can also just click [here](#) to fill out the TAP application.

Please be aware that it will automatically randomly populate one of the NYS colleges you listed on your FAFSA. You can leave that school there until you know where you are actually attending. You have until May to put in the attending college so that the money, if you qualify, goes to the correct school. You cannot fill out the TAP application until your FAFSA application has been processed.
