Portals

Please make sure to check the portal of every college you have applied to for updates and missing information.

FAFSA Update

The government has announced that it will begin sending information from completed FAFSAs to colleges in mid-March. If you have completed the FAFSA, you will receive an email once the information has been processed. At that time, you will be able to see your Student Aid Index and make any necessary corrections to your FAFSA (like adding schools, etc.).

As a result of this information delay, many colleges have pushed their dates for student commitments from May 1st to May 15th or June 1st. Be on the lookout for emails from your colleges about this.

Reminders

TAP (Tuition Assistance Program)

Once you have filled out the FAFSA with at least one college in NY, you will get a direct link to fill out your TAP scholarship application. This is a scholarship for all schools in NYS

(public/private) [if you are eligible](#). If you miss this email you can also just click [here](#) to fill out the TAP application.

Please be aware that it will automatically randomly populate one of the NYS colleges you listed on your FAFSA. You can leave that school there until you know where you are actually attending. You have until May to put in the attending college so that the money, if you qualify, goes to the correct school. You cannot fill out the TAP application until your FAFSA application has been processed.
