Third Quarter Grades

If you have been waitlisted at any schools you must check with the school to see if they require 3rd quarter grades. If they do, please make sure to click off the "Waitlisted" box on Naviance next to any relevant school. We will only be sending your 3rd quarter grades if you requested it via the form sent last week.

Reminders

Update Your Admissions Decisions

You should be hearing back from all of your colleges by the end of the month. Please make sure to update your admissions decisions in Naviance, including where you decide to attend college (the pencil icon next to each school will allow you to add/modify admissions decisions).

TAP (Tuition Assistance Program)

Once you have filled out the FAFSA with at least one college in NY, you will get a direct link to fill out your TAP scholarship application. This is a scholarship for all schools in NYS

(public/private) [if you are eligible](#). If you miss this email you can also just click [here](#) to fill out the TAP application.

Please be aware that it will automatically randomly populate one of the NYS colleges you listed on your FAFSA. You can leave that school there until you know where you are actually attending. You have until May to put in the attending college so that the money, if you qualify, goes to the correct school. You cannot fill out the TAP application until your FAFSA application has been processed.
